

## Scotby Film Club (5+)

Film Club continues to be held in the village hall on the first Sunday of each month. We have shown a range of films including Secret Life of Pets, Bolt and Elf! We have an interval when we serve drinks and snacks which the children really enjoy!

We regularly get from 10-12 children attending, a mix of those from within and outside the church.

Although we do not give a Christian talk, we do talk to the children and parents about the opportunity to attend other church event. However, we do not appear to have seen any uptake of these opportunities from children outside the church.
